Getting the right support when you need it doesn't have to be overwhelming.

► **LIFESTART** Phone 1800 953 390

Supporting families with children and young adults through early intervention services, therapy programs and family support. Their services include speech therapy, occupational therapy, psychology, social work, playgroups and online support, building strong developmental pathways from home through to education and beyond.

Website www.lifestart.org.au

► **AUTISM COMMUNITY NETWORK**

Phone (02) 9543 9036

Autism Community Network supports people with autism and their families through connection, advocacy and community programs. From social groups and information sessions to partnerships with educators and professionals, their focus is on helping individuals and families feel supported and empowered to live their best lives.

Email info@acnaustralia.org.au

► **SDN BERANGA** Phone 1300 831 445

SDN Beranga is a purpose-built preschool in Rooty Hill for children with autism, providing specialised early childhood education for up to 27 children each day. The service also offers early intervention support and children's therapy programs to help children thrive in their learning and development.

Email sdn@sdn.org.au

► **COMMUNITIES FOR CHILDREN**

Phone (02) 8886 6300

Mission Australia's Communities for Children is an early intervention and prevention program that supports the health, development and wellbeing of children aged 12 and under. By addressing local needs and encouraging strong community participation, the program helps create better outcomes for children and families.

Email WesternSydney@missionaustralia.com.au

► **THE HIVE - MT DRUITT**

Phone (02) 9628 8262

Community-led initiative focused on giving children the very best start in life through a holistic, place-based approach. Programs such as Health Linker, Check-ups Before School (CUBS), The Imagination Library and the Early Childhood Educators Network help strengthen early childhood development and family support.

Email hive@unitedway.com.au

► **NORTHCOTT** Phone 1800 818 286

Northcott is a leading disability service provider, providing dynamic and personalised support to children and adults with disability. Our goal is to empower you to live the life you choose.

Website www.northcott.com.au

► **NGROO EDUCATION**

Phone (02) 9835 6056

Supporting Aboriginal and Torres Strait Islander families by providing culturally safe early childhood education resources, guidance and community connections. Their work helps strengthen access to learning opportunities while empowering families to feel informed, supported and included in their child's educational journey.

Email admin@ngrooeducation.org.au

► **KEYS NETWORK** Phone (02) 8811 7145

Their focus is on building strong pathways for families by identifying opportunities for collaboration and improving access to local community resources.

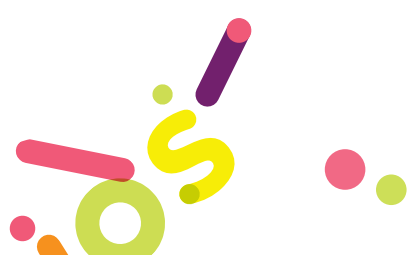

Email contact-us@keysnetwork.nsw.gov.au

► **UNITING HIPPY BIDWILL**

Phone 1800 864 846

Uniting HIPPY Bidwill is a home-based early childhood enrichment program that helps prepare children for school. Through guided activities and home tutor support, families are empowered to build learning routines and strengthen their child's confidence and school readiness.

Address 9 Cappariss Circuit Bidwill 2770

► HEARING AUSTRALIA - MT DRUITT

Phone 1800 600 681
